If you are a registered Republican woman and would like to join the Republican Women of Madison, we would love to meet you.

Our club is a unique mixture of older and younger members who provide a welcoming combination of experience, enthusiasm, and innovation.

## I'm a Republican because...

I BELIEVE that the strength of our Nation lies with the individual and that each person's dignity, freedom, ability, and responsibility must be honored.

I BELIEVE in equal rights, equal justice, and equal opportunity for all regardless of race, creed, sex, age, or disability.

I BELIEVE free enterprise and individual initiative have brought this nation opportunity, economic growth, and prosperity.

I BELIEVE our government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

I BELIEVE the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations and that the best government is government closest to the people.

I BELIEVE Americans must retain the principles that have made us strong while developing new and innovative ideas to meet the challenges of changing times.

I BELIEVE Americans value and should preserve our national strength and pride while working to extend peace, freedom, and human rights throughout the world.

I BELIEVE the Republican Party is the best vehicle for translating these ideas into positive and successful principles of our government.
